St. Peter of Alcantara partners with Bridge for Peace to build a home for orphans

Ten Year History of St. Peter's Mission Outreach

- 2005 Assist St. Peter Claver Church after Hurricane Katrina
- 2009 Built a Vocational Center in Guatemala to assist those living and working in the garbage dumps
- 2011 Built a Chicken Incubation Plant in Guatemala to continue to assist those in need
- 2013 Built the second floor of the Santa Rita School and provided supplies for the education of the children there
- 2015 Built a medical clinic in El Salvador
- 2015 Begin building a home for orphan children in Kasese, Uganda

The Need in Uganda

There are over 2.5 million orphans in Uganda. 1.2 million children are orphaned as a result of AIDS and many others due to the high mortality rate of mothers during child-birth. Bridge for Peace, a non-profit organization is presently partnering with the Catholic Church in Kasese, Uganda who has asked them to build a Children's Village for orphans. The diocese has provided 12 ½ acres and Bridge for Peace has begun the construction of the village. The vision for the village is 10 cottage type homes, a clinic, a school, and a vegetable garden.

How can we help?

...Truly I tell you, in so far as you did it for one of the least of these, you did it for Me.

Matt 25:40

How St. Peter's Can Help

St. Peter's is partnering with Bridge for Peace to help the people of Uganda. We will be building a home which is approximately 30' X 30', with 4 bedrooms, a bathroom with toilet, shower and running water, and a kitchen area for storage and prep. The house will shelter up to 14 orphans and 2 house-mothers. The children will be raised in a family atmosphere with love and their basic needs met. Through this project we will provide an opportunity for the children to have a future and a hope just as God has planned for them.
